

DOUBLE RIVERS BOND

16h 9yr old TB x WB

Medium Dressage

1* Eventer

Double Rivers Bond is being regretfully offered for sale as I have decided to leave my dressage career behind for a jumping one.

'Bondie' is a push button dressage horse and will happily do simple changes with beginner riders due to his natural engagement. He has taken new riders on and taught them to walk, trot and canter with no issues to then be sat on by more experienced riders to be highly competitive at medium level. Bondie will be doing his first Advance start in June!

If you want to go out there on a no fuss, easy to ride, stand out horse AND win in the dressage arena this is your horse. Scores up to 79.9% at Prelim. 79.8% at Novice. 74% at elementary and 65.2% at medium. (His advance work does still need some more schooling to be truly competitive in these classes.)

Bondie has also evented including two 1* starts. He has wins and places in Intro through to Pre-Novice classes. Please be aware he has been a dressage horse for the

last 2 years and is only just starting his eventing career again now due to my ambitions to jump again.

Bondie is a very compact little horse to ride with a big personality, he would best suit a rider wanting a horse to take them through the dressage grades and teach them along the way.... And why not jump on the side for fun!!!!!!!
