Arab X Cleveland Bay

A top class super mount would suit a comp. / ambitious junior rider. Safe and reliable, Pirate has competed at interschool's and open competition with many wins and places. Also attended pony club, competing up to state level.

He is a stunning and forward moving horse, always ridden in a snaffle.

Pirate is educated dressage, competing novice. Exceptional dressage movement with scores up to 72% - collection, flying changes etc. Ground covering walk, expressive trot with flashy lengthening and uphill canter. Also a talented Show Jumper, bold and careful with heaps of scope over fences currently competed up to 1.10. Pirate is quick, clean and athletic. + scores very well in Equitation.

Courageous XC, has competed Prelim.

Has also done well in showman and other hack classes.

Pirate is a highly competitive horse with loads of personality, ready to take the next rider up the levels, with potential to go further. Very sensible, easy to handle and requires no working down at events. Sadly for sale as rider has out grown.
