

For Sale- \$2700_{NEG}

Bates Isabell Werth Dressage Saddle with CAIR 16.5" (Un-Mounted), grained leather, medium size gullet. RRP \$3195

The saddle was bought brand new about a year ago and only used for competitions. Ridden in less than 20 times. I do not keep the girth or stirrups on it to limit marking and wear. The saddle has been kept in a padded, waterproof saddle bag. It came with a mark in the leather on the back of the seat (see photo), the mark is barely noticeable and does not impact the integrity of the saddle.

I have a 36" (90cm) girth that can be included free also.

Info about the Isabell Saddle (from Bates website)

Developed in consultation with World Dressage Champion, Isabell Werth. The difference the Isabell saddle makes to the rider is quite profound as radical features take the effort out of sitting in the correct position.

Features:

- Extra Deep Seat provides greater control and security.
- Newly positioned Stirrup bars effortlessly balance the rider in ear, shoulder, hip and heel alignment.
- Knee Inserts mould to the rider's knee shape
- CAIR® Panel System for better performance and freer movement of horse.
- EASY-CHANGE Gullet System allows the saddle to be fitted to suit the horse's changing shape, or to fit different horses.
- Adjustable Flexibloc System to provide a more secure position for the rider. The Isabell comes with large dressage flexiblocs.
- Adjustable Y-Girthing System secures the front and back of the saddle, providing extra security and evenness.
- Finest Austrian leather enhances grip and comfort.

CAIR panel system will revolutionise the way your horse feels the weight on its back, cushioning the saddle with air to evenly distribute the rider's weight, virtually eliminating pressure points and discomfort. EASY-CHANGE Gullet System is another unique development which allows the gullet size in your saddle to be changed to suit your horse in a matter of minutes. So you can make sure your horse is always comfortable.
